Equitas has maintained its unwavering commitment to improving the quality of life of the economically disadvantaged families, by proactively designing various social initiatives, going beyond the mandated corporate social responsibility (CSR) requirements. In 2007, just two months after Equitas was founded, the Equitas Trust (EDIT) was established to spearhead a diverse range of social programs encompassing Health, Education, and Skill Training. Equitas voluntarily decided to allocate 5% of its profits to support EDIT, a commitment that continues to this day, surpassing the statutory 2% requirement introduced in 2013.

● EQUITAS GURUKUL SCHOOLS

Nurturing Nature, Securing Future!

On June 5, 2025, Gurukul schools celebrated World Environment Day with great enthusiasm. Students shared eco-friendly tips and staff wore symbolic colours : green for trees and blue for sky and water. Artistic expressions flourished through drawings.

Students from class V to VIII of Sivakasi Gurukul led a powerful rally chanting "No Plastics!" to raise awareness. Banyan saplings were planted, marking a step towards a greener future. Across other campuses, activities like poster-making, slogan displays and rallies promoted environmental consciousness. With messages like "Reduce, Reuse, Recycle," the day inspired students and staff to protect the planet through meaningful actions and a strong commitment to sustainability.

Empowered to Lead

All eight Gurukul schools proudly conducted Student Council Elections for the academic year 2025–26, fostering democratic values and leadership among students. The election process—from nominations to manifesto presentations and voting—was carried out with enthusiasm, transparency, and discipline. Each block elected Block Head Leaders, ensuring student representation across all grades. This was followed by the School Council election, giving students a voice in school governance. Among them, Equitas Gurukul, Coimbatore, stood out for its exceptionally well-organized and collaborative execution, led by the Social Department and Block 4 team. Their efforts showcased a model of efficient, student-centred leadership development and stand as a testament to nurturing responsible citizens of tomorrow.

Gurukuls Celebrate the Spirit of Yoga

On June 21, Gurukul schools celebrated International Yoga Day with energy and enthusiasm. Students and staff gathered in the morning for guided yoga sessions that included breathing exercises, asanas and meditation promoting physical fitness, mental calmness and inner balance. The importance of incorporating yoga into daily life for a healthier lifestyle was emphasized during a special assembly. The event not only encouraged mindfulness and discipline among students but also reinforced the schools' commitment to holistic education and overall well-being.

WOMEN EMPOWERMENT

Providing skill development training to women from economically disadvantaged backgrounds empowers them to generate income, either as their primary source or as a supplementary income. By producing various items, these women not only fulfill their household needs more affordably but also potentially create a profitable business by selling their creations. In this context, various Skill Development Training programs are conducted PAN-INDIA.
