EDUCATION

Equitas Gurukul Group of schools

GURUKUL DAY is the final event held across all our schools annually, which marks the end of a successful academic year. Teachers felt valued, appreciated, more successful and positive as they came together with teacher friends and family members to spend the day at school. Games, music & dance, cake cutting, pot luck and High Tea were the highlights of the day.

In order to ensure strict compliance of the Protection of Children from Sexual Offences (POCSO) Act 2012, Equitas Gurukul has implemented numerous initiatives and taken proactive measures to ensure a safe and secure environment for all our students. As a part of these efforts, an orientation session was conducted by Ms. Sheela and Ms. Uma across all the 8 Gurukuls.

The objective of this session was to create awareness of child rights, prevention of child sexual abuse and provide an understanding of the POCSO Act.

Topping the Board Exams

Board results have always been the yardstick with which most of the students' success is measured. Knowing that well, the students of Gurukuls were glued to revisions and tests while teachers fostered their enthusiasm, which paved way for good results. 797 students appeared from class X-XII for the board exam, out of which 288 students scored between 98-80%. This year, the overall toppers across our eight schools emerged from Sivakasi Gurukul.

RTE ADMISSIONS

Keeping in mind the objective of providing equal opportunity to children to high quality education and abiding by the TN government norms, RTE admission was held on 23rd May in all the Gurukuls as per the prescribed procedure. Students who have registered in the official website and are living within a 1 km radius of Gurukuls, participated in the process and seats were allotted based on picking lots.

INDUCTION & TRAINING

Induction and training is Gurukul's comprehensive programme organised at the beginning of every academic year. This programme provides a systematic structure of support for new teachers and a quick revision for the old teachers. This week long schedule began on 22nd May across all the Gurukuls which involved on boarding, journey of Equitas, POCSO, HR policies, use of PMS etc.
