JULY 2021

Bridging learning gaps:

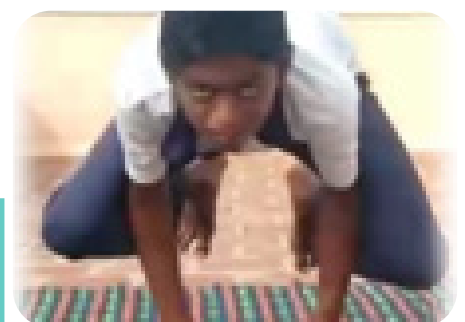

March 2020 was the start of a long indefinite shutdown of schools due to the Covid pandemic. A year had passed and school moved into AY 2021-22 with government announcing 'ALL PASS' without any formal assessments. It was therefore critical for schools to ensure that students have achieved at least the minimum learning outcomes of the bygone year. Equitas Gurukul planned thoughtfully for a full term of Bridge course for UKG to class III and a month of Bridge Course for class IV-VIII.

International Yoga & Music Day celebration:

Equitas Gurukul celebrated International Yoga and Music Day on 21st July 2021. Students participated in the virtual yoga demonstration competition. Students also participated actively in the vocal and instrumental music competition. 228 students from across Gurukuls participated in the event.
