Equitas has maintained its unwavering commitment to improving the quality of life of the economically disadvantaged families, by proactively designing various social initiatives, going beyond the mandated corporate social responsibility (CSR) requirements. In 2007, just two months after Equitas was founded, the Equitas Trust (EDIT) was established to spearhead a diverse range of social programs encompassing Health, Education, and Skill Training. Equitas voluntarily decided to allocate 5% of its profits to support EDIT, a commitment that continues to this day, surpassing the statutory 2% requirement introduced in 2013.

Foundation Day Celebrations

The Equitas Trust Foundation Day was celebrated with enthusiasm and compassion, emphasizing the spirit of service. Gurukul Schools across eight locations carried out various activities, including donating essential items such as blankets and

bath tissues to support the elderly. A mid-day meal was provided for children with intellectual disabilities, bringing joy and warmth to their day. Snacks were shared with students at a special school, where the significance of the occasion was conveyed in sign language. Additionally, a cleaning drive was conducted to promote hygiene and community well-being. Teachers also contributed to the cause by generously donating blood, reinforcing the values of selflessness and community service. These acts of kindness reflected the school's commitment to uplifting communities and fostering inclusivity, making the celebrations truly meaningful.
