CSR (Corporate Social Responsibility) Team of Equitas Development Initiatives Trust emphasize on the importance of reaching out to others in need of help. Our team is not only passionate about their contribution to the CSR projects they handle, they are also more inclined towards the 'Joy of Giving' they could provide to the under privileged communities themselves.

This volunteering initiative taken by our team benefits the community at large. CSR as mandated by the government does not take into account the number of man-hours spent by employees on volunteering related activities. In spite of this, our team involving themselves in 'Joy of Giving' initiatives is highly appreciable.

Joy of Giving activities connects our team more closely with the people and communities in which they are operating, thereby strengthens the social capital of Equitas.
