MD'S APPEAL

I am extremely happy to see that the momentum of Joy of Giving has really picked up in the 2nd quarter of this year, across Branches and more volunteers participated spending over 4500 man hours by over 300 staff in the true spirit of sharing their time, a little treasure and talents with less fortunate.

This Kind gesture is in addition to the phenomenal work by our CSR & EDIT Team in rendering health care, skill training, quality education provided by our 8 Gurukuls, placement for unemployed youth and rehabilitation of homeless.

I sincerely appeal to each one of you to continue the good work and spread happiness all around you.

“

Not all of us can do great things. But we
can do small things with great love.

- MOTHER TERESA

CSR (Corporate Social Responsibility) Team of Equitas Development Initiatives Trust emphasize on the importance of reaching out to others in need of help. Our team is not only passionate about their contribution to the CSR projects they handle, they are also more inclined towards the 'Joy of Giving' they could provide to the under privileged communities themselves.

This volunteering initiative taken by our team benefits the community at large. CSR as mandated by the government does not take into account the number of man-hours spent by employees on volunteering related activities. In spite of this, our team involving themselves in 'Joy of Giving' initiatives is highly appreciable.

Joy of Giving activities connects our team more closely with the people and communities in which they are operating, thereby strengthens the social capital of Equitas.
